We start with a basic question:
“Is it good for kids?”

For 30 years,
**VOICES FOR UTAH Children** has advocated to protect children's health.

**Help us continue to be a voice for
the next generation of Utah children.**

**Voices for Utah Children has won several victories
for children's health over the years.**

1992 Supporting Utah's Caring Foundation for Children, which became a model for the nation's Children's Health Insurance Program

1997 Beginning the national Children's Health Insurance Program (CHIP)

1998 Beginning CHIP in Utah

2003 Restoring dental coverage to Utah children in CHIP

2007 Preventing CHIP from expiring

2008 Opening Utah CHIP enrollment year-round to all qualifying children, instead of a capped limit during a short-term enrollment period

2009 Preventing CHIP from expiring

2015 Preventing CHIP from expiring

2016 Ending the 5-year waiting period for lawfully residing immigrant children on CHIP and Medicaid in Utah

For 30 years now, Voices for Utah Children has called on our state, federal and local leaders to put children's needs first. But the work is not done. The children of 30 years ago now have children of their own. Too many of these children are growing up in poverty, without access to healthcare or quality educational opportunities.
