Lincoln Nehring, president and CEO of Voices for Utah Children, has been selected by the National Association of Insurance Commissioners (NAIC) as a 2017 consumer liaison representative. Consumer representatives provide guidance about the perspectives of consumers, represent their interests and assist state regulators to protect insurance consumers.

For 30 years now, Voices for Utah Children has called on our state, federal and local leaders to put children's needs first. But the work is not done. The children of 30 years ago now have children of their own. Too many of these children are growing up in poverty, without access to healthcare or quality educational opportunities.
