Last month, we held our annual Breakfast of Children's Champions where we celebrated the great work happening in our communities for Utah kids. Once again, congratulations to this year's awardees:

- **Children's Champion Award:** *Senator Luz Escamilla and Representative Jim Dunnigan*
- **Community Partner Award:** *Comunidad Materna Utah*
- **Voices Alumni Award:** *Barbara Muñoz*
- **Student Advocate Awards:** *Paula R. Cervantes Zamarripa (Taylorsville HS) and Danae Gallegos (Ogden HS)*

At this year's event, we also announced the release of our [2023 Utah KIDS COUNT® Data Book](#). This annual data book offers a comprehensive look at the well-being of Utah's children. We encourage you to dive into the data and gain invaluable insights into the current state of child welfare across our state.
